

REGISTRATION CERTIFICATE

This document certifies that the administration systems of

Grob, Inc.

1731 10th Avenue, Grafton, Wisconsin 53024, USA

***have been assessed and approved by QAS International
to the following management systems, standards and guidelines:***

ISO 9001:2015

The approved administration systems apply to the following:

Grob, Inc., located in Grafton, WI, manufactures cold-formed metal products, such as splines, timing pulley and custom profiles for linear and rotational motion.

Products are used in a wide variety of applications, are produced to industry standards and customer requirements, and distributed worldwide. Clause 8.3 design and development of products and services is not applicable, as detailed requirements already established by our customers are received via specifications and drawings.

Original Approval **30th January 2006**

Current Certificate **13th March 2019**

Certificate Expiry **13th March 2020**

Certificate Number **US2463**

Signed: Certification Officer

On behalf of QAS International

This certificate remains valid while the holder maintains their administration systems in accordance with the standards and guidelines stated above, which will be audited annually by QAS International. The holder is entitled to display the above registration mark for the duration of this certificate, which should be returned to QAS International upon reasonable request.
